New Jersey Urban League Executive Committee Meeting.

Meeting opened with prayer by Reverend Ellerson. Minutes of meeting read and approved as filed by motion. Those present: Mr. Hart, Ashby, Mr. J. E. King, Mrs. Ellsworth, Dr. Levy, Mr. Fletcher, Rev. L. B. Ellerson, and Mr. Powell.

Executive secretary read the monthly report which was received and approved by motion. In the absence of Mr. Stout, Mr. Ashby read the monthly report and (financial) showing balance, \$63.41 with outstanding indebtedness amounting to \$325.44. Report received and approved by motion.

By motion of Mr. Powell, Rev. Ricks, Mr. Ashby - a committee on constitutional revision. This same committee will also consider the matter of trustees. By motion the Bureau of Social Service will be authorized to appoint a case worker, or rehabilitating family worker for the poor people of the city.

By motion the executive committee approved a budget of \$5,300 (five thousand three hundred dollars) to meet the expenses for the ensuing year.

By motion, a committee of five will be appointed by Dr. Levy, Mrs. Ellsworth, Mr. Fletcher, Ashby, and Bannswart, to consider ways and means of raising budget to report at next meeting. Next meeting to be held March 8, in the evening. Adjourned C. B. Ellerson.

Then I had to secure some one to take the young woman over there. This was all carried out satisfactorily, proving the worth of this Home here.

This young woman was the 5th person sent here directly from the Penn. Sta. by the matron, each case has been interesting in some way or other.

Without any authority from this Executive Committee, during my first weeks here, I had cards printed, and sent them to the matron at the station, and she has used them; now that the 2nd floor is being prepared for occupancy of young women and girls, I should like to suggest that a special Committee be authorized to find such persons throughout the city, who need a Home as this is, and send them here to reside. There seems to be no missionary worker among the Colored people here in the city now, who might direct such persons here; and since there were such persons here, when there was a city missionary worker, there still must be a number who do not know of our institution. When all the rooms are furnished, we will be able to comfortably accommodate 31 persons. We now have 13 regulars.
